

## REFERENCE

Plesio Computers S.A. is an international IT and stationery supplier with more than 40 years of experience. We operate on the Bulgarian market since 2004 and have many major companies as partners.

60k has been depending on us since the very start of their exceptional call centre. They have trusted us to provide them with critically important equipment: Workstations (PCs) and Office supplies, which have helped 60k achieve outstanding levels and results in their call centre performance. Despite the huge competition of suppliers 60k has been loyal to us for 4 years now and we certainly hope to continue working with them in the future. They are flawless in their obligations to us and working with them has always been and will remain a great pleasure.
